Mission Statement of

Mount Saint Catherine's primary School

Teachers, parents and governors will work together to develop each child spiritually, morally, intellectually, socially, emotionally and physically within our Sacred Heart ethos, so that by realising their potential, they can maximise it and have an appreciation of self-worth and self-learning.

"Welcome them with kindness and give them encouragement, so that their hearts will open out and you will be able to help them by advice to form their characters"

Saint Madeline Sophie Barat

Foundress of the Religious of the Sacred Heart

Principles

The following principals form the basis of our Child Protection Policy:

- Children should be listened to and taken seriously
- In any incident the child's welfare must always be paramount: this overrides all other considerations;
- A proper balance must be struck between protecting children and respecting the rights and needs of parents and families; but where there is a conflict the child's interests must always come first.

OUR AIM

To protect our pupils by ensuring that everyone who works in our school have clear guidance on the detection and inter-agency management of situations, where abuse or neglect of a child is suspected.

The overriding concerns of all caring adults be the care, welfare and safety of the child. **The welfare of each child is our paramount consideration.**

In all of their contact with pupils, staff in Mount Saint Catherine's follow the guidelines and procedures described in the DENI publication "Pastoral Care in School-child Protection"(1999)

Implementation of procedure

Procedures:

- In the majority of cases, we will ask to meet with you first to discuss our concerns
- If the issue has not been resolved, we are obliged to consult with the appropriate agency
- Seek advice from CPSSS/Social Services / PSNI
- If they advise us to make a referral to social Services, we must follow that advice
- We will endeavour at all times to keep you informed
